Re: The Lighthouse at Long Island
Revised Draft Generic Environmental Impact Statement
The Lighthouse at Long Island, June 2009

Dear Supervisor Murray and Honorable Town Board Members:

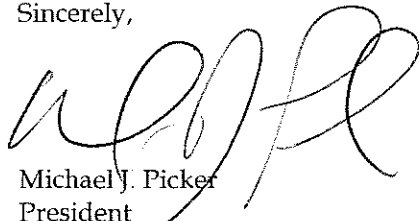

We are hereby submitting the above-referenced revised Draft Generic Environmental Impact Statement ("DGEIS") for The Lighthouse at Long Island. In accordance with discussions with Joseph Ra, Esq., the following are being submitted herewith:

- One redlined copy of the DGEIS text that has been revised (including figures and appendices that have been modified);
- Two disks with redlined copies of the DGEIS text that has been revised (including figures and appendices that have been modified);
- Two complete copies of the revised DGEIS; and
- Twenty disks containing complete copies of the revised DGEIS.

The revised DGEIS has been prepared in accordance with 6 NYCRR §617.9(b) and the Final Scope promulgated by the Town Board. Also, as explained in the annexed correspondence to Joseph Ra, Esq., dated June 5, 2009, the revised DGEIS addresses all of the completeness comments that have been provided to the applicant.

I respectfully request that the Town Board review this revised DGEIS in accordance with the requirements of 6 NYCRR §617.9(a)(2)(ii). Thank you for your time and consideration.

Sincerely,

Michael J. Picker
President
Lighthouse Development Group

cc: Joseph Ra, Esq.
